NEWS

UPDATED SUBMISSION FORMS

In our last issue, we have shared that PUB and NEA will operate as separate Technical Agencies (TAs) with effect from 1st Jan 2017.

In view of the formation of separate TAs, PUB has updated the following application forms for sewerage, sanitary and drainage submissions.

The new forms will be available on CORENET from 1 Jan 2017. **Please use the new application forms from 1 Jan 2017.** These application forms are to be submitted to the new **PUBBPU-PUB-SINGAPORE NATIONAL WATER AGENCY** mailbox in CORENET.

Refer to the links below for the circulars.

SIMPLIFIED SUBMISSION PROCESS

PUB will also introduce a Simplified Submission (SS) Scheme from **1 Jan 2017**.

- Projects that meet certain criteria can obtain lodgement for drainage or sewerage/sanitary works without the need for technical clearance from PUB at DC and DP stage.
- Projects which are under the Simplified Submission Scheme are required to obtain TOP and CSC clearance for drainage and sewerage/sanitary works carried out on site. The relevant clearance for TOP/CSC from PUB, among other documents, shall be submitted to BCA for the application of TOP/CSC.
- Please note that submission under the SS scheme are subjected to audit check by PUB at TOP and CSC clearance stage.

Please refer to the following link on QP Portal for the details

<https://www.pub.gov.sg/compliance/industry/circulars>
