Dear Sir/Madam

PUB Building Plan Division Circular

REMINDER: REGISTERED SURVEY INFORMATION TO BE PROVIDED IN AS-BUILT SURVEY DRAWINGS

As part of the existing plan submission process, industry professionals submit as-built survey drawings to PUB upon completion of new sewerage and drainage works. To help minimise the need for resubmission, this circular is a reminder of the survey related information that needs to be included in as-built survey drawings.

2 As-built surveys will have to be carried out by a Registered Surveyor (RS) and shall comply with the prevailing SLA Standards and Specifications for Utility Survey in Singapore. This includes details as shown in Annex A.

3 In line with SLA's Standards and Specifications, the following information shall be indicated in the as-built drawings as such:

- (i) The accuracy information shall be indicated with the following ranges:
 - a. Horizontal Accuracy: $\pm 100\text{mm}$
 - b. Vertical Accuracy: $\pm 100\text{mm}$
- (ii) The survey date shall be indicated in the format of DD/MMM/YYYY, ("MMM", example: "Oct").
- (iii) The RS's name and company name shall be indicated in the drawing and be digitally signed by the RS.
