Industry Professionals

Dear Sir/Madam,

CODE OF PRACTICE ON SEWERAGE AND SANITARY WORKS (SECOND EDITION - 2019)

Following consultation with the industry, we are pleased to release the second edition of the Code of Practice on Sewerage and Sanitary Works (COPSSW). The COPSSW (Second Edition - 2019), complete with Standard Drawings, can be downloaded from PUB's website at <https://www.pub.gov.sg/compliance/usedwater/legislation>.

2 To allow the industry time to plan for the new requirements, only new Development Control (DC) submissions made from 1 Jul 2019 onwards must comply with the new requirements. In the meantime, the current edition of the COPSSW, any requirements published on PUB's website and conditions imposed in DC/DP clearance, will continue to be effective for on-going projects.

3 Notwithstanding that the COPSSW (Second Edition - 2019) is to be complied with for DC submissions made only from 1 Jul 2019 onwards, we would encourage all industry professionals to adopt the new design requirements where possible for their current projects. If you have any further queries regarding the revised COPSSW (Second Edition - 2019), you may contact Mr Christian Budiman at 67313352 or call our BPU Hotline at 67313512 or email to: Christian_budiman@pub.gov.sg.

Yours faithfully
